SPECIAL DEALS ONLY FOR APP USERS!

QR DEALS (Digital Stamp Card) to get \$10 discount voucher!

How it works: At your every visit with us, you open Maru Maru App's "QR DEAL" tab and scan the *Special QR Code* given by our staff. App records the number of the scan, when it reaches to 10 scans, the app releases \$10 voucher on the screen, which you can redeem right away. One owner scans once per visit regardless the number of dogs that they bring, but here is the good news: You still get the scan when you redeem our regular Loyalty Discounts!
